

## REMARKS

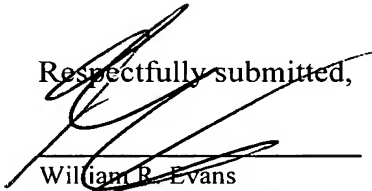

The objections to the specification are attended to above as courteously suggested in the Action.

The rejection of claim 1 under 35 USC 112, second paragraph, is attended to by amendment according to the original disclosure, for example, in the paragraph bridging pages 9 and 10, and Fig. 3.

The allowability of claims 1-11 resulting from the above and withdrawal of claims 12-20 indicated in the Action is then acknowledged appreciatively and accepted.

Reconsideration and allowance are, therefore, requested.

Respectfully submitted,

William R. Evans
